

Crown Preparatory Academy

Parental Agreement

Crown Preparatory Academy believes that it is essential that we walk together in agreement with families as it relates to their child with an excellent education from a Biblical worldview.

It is imperative that you understand what we believe. We desire your support in upholding these values to provide your child with the best Christian education possible.

Therefore, I agree:

To pray for Crown Prep, faculty, parents and students

To prioritize prayer and the Word of God as a regular part of my family life

To maintain a Christian home that is prayerfully aware of outside influences such as social media, television and other impacts on my child (ren)

To faithfully take my child(ren) to church and participate in church activities

To attend special functions and programs of the school (ie., academic events, concerts and sporting events)

To volunteer as I am able for activities, chapel and field trips

To recommend Crown Prep to other Christian families

To meet all financial obligations to the school on or before the due date

To communicate financial challenges that will effect tuition payment to the principal as soon as possible if financial obligations will be delayed

To work in harmony with the school policies, procedures, Statement of Faith and Philosophy of Education

To seek to resolve matters with which you are dissatisfied based upon scripture. First, with the person or people involved. If it is not resolved, then seek mediation from the principal.

To be mindful not to involve others in disagreements or spread confusion, criticism or a negative attitude.

I have read and agree to abide by the Crown Preparatory Parental Agreement.
